## Best Maintenance Award, 2015.

Our Vietnam customer, **Dat Viet Infrastructure Construction & Trading Investment Consulting, Joint Stock Company**, has emerged as the winner for the best maintenance award for their excellent maintenance program on the AT200 amphibious excavator.

This is the best maintained unit from more than 250 units that we have delivered worldwide.

We delivered the AT200 amphibious undercarriages in February 2012. Our customer has been using the unit for swamp land clearing for more than 3 years. Up to now, the unit has been operating well.

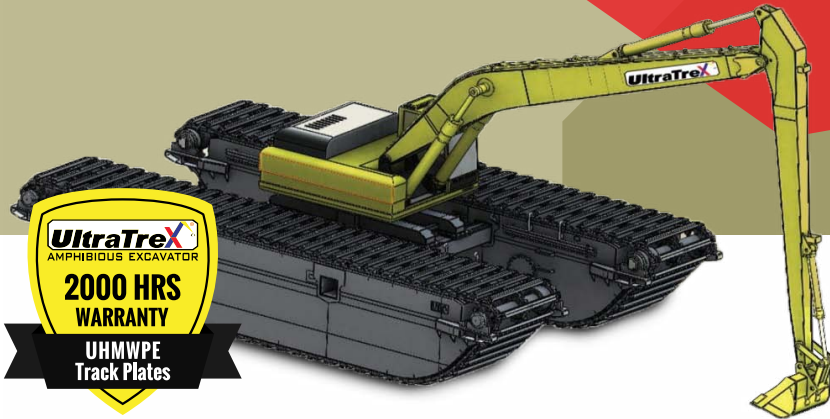

The winner reward is USD 2,000.00.

Well Done & Congratulations, Dat Viet Infrastructure Construction & Trading.

## Buka Puasa Dinner

It's always been a pleasure to organize annual 'Buka Puasa' for our staffs. Recently, we had sumptuous dinner at Ponderosa Golf Resort, Johor Bahru. 70 staffs dine together by sharing, cheerful and fun moment after a hard day's work. **Selamat Hari Raya & Maaf Zahir Batin**

## Ultratrex Annual Team Building 2015... Is coming soon !!!

6<sup>th</sup> - 8<sup>th</sup> August 2015 will be our next get together at Felda residents resort, Tanjung Leman, Johor.

### Ultratrex' main team building objective:-

- » To encourage unity and team work among our staffs.
- » Togetherness among the employees contributes to the organization's achievement.
- » Join hands to produce quality products and satisfy our valued customers.

We're improving gradually to ensure cleanliness within our production floor. 5S audits have been carried out on monthly basis in order to achieve and maintain our 5S mission.

There are 6 departments that take ownership to maintain & take care of their respective area. Implementation has been effective & efficient.

5S - an effort to preserve systematic, healthy and safe working environment.
